## **COURSE PLAN:**

**Requirements**: In addition to the usual requirements for the Government concentration, students in the Data Science program take **four** letter-graded methods courses. (One fulfills the research-methods requirement for all concentrators, while the others are usually concentration electives.)

Ordinarily, two of these courses are Gov 50: Data Science for the Social Sciences and Gov 51: Data Analysis and Politics. However, students with prior coursework in statistics and data science may choose to take more advanced courses instead. The Gov website (<a href="https://www.gov.harvard.edu/undergraduate/programs-of-study/data-science/">https://www.gov.harvard.edu/undergraduate/programs-of-study/data-science/</a>) has a full list of courses that can be used to meet Data-Science requirements.

1)	Please indicate which four classes you plan to use to meet the requirements for the Data Science program
